The Gloucester Business Association welcomes you!

Located in northwest Rhode Island, Gloucester is home to two villages, Chepachet and Harmony. It's a delightfully rural community, dotted with forests and lakes, historic buildings and sites, parks and hiking trails, award-winning schools, and thriving small-town businesses. It's a beautiful place in which to live, work, and play!

Our town boasts a robust business community of shops, restaurants, and services, many of which are active members of the Gloucester Business Association. Visitors can find treasures in the antique shops, enjoy a great meal in our restaurants, explore the many historic buildings built in the 18th and 19th centuries, and delight in the numerous hiking trails winding through our quiet woods.

Festive events keep the town bustling throughout the year, and all are invited to join in the fun – the Gloucester Business Association's Family Fun Day in June, the famous Ancients & Horribles Parade in July, the GBA's Annual Trick or Treat on Main Street in October, and the Gloucester Heritage Society's Candlelight Shopping throughout December featuring the GBA's life-sized Santa & Reindeer display.

We invite you to visit Gloucester and discover why our town is cherished by residents and visitors alike!

Sincerely,

The Gloucester Business Association

The EDC has been working towards the revitalization of Chepachet Village since the early 1990's beginning with the Chepachet Village Planning Project, which outlined goals, recommendations and implementation steps to spur economic and historic revitalization. The Town has been steadily working its way towards implementing the steps outlined in a plan to create

an environment in which the Village's resources can thrive and expand.

VILLAGES OF GLOCESTER

• *Chepachet*

It might look quaint and rural, but Chepachet is also a thriving business community. Centered along Routes 44 (Putnam Pike) and 102 (Victory Highway), Chepachet draws visitors to browse the antiques, gifts, collectibles, and seasonal shops. Listed on the National Register of Historic Places in 1971, this is the first village in Rhode Island to earn that designation. For nearly a century, this has been the *route of the annual 4th of July event, the Ancients and Horribles Parade.*

• *Harmony*

This village at the eastern end of town along Putnam Pike (U.S. 44) features several charming shops, restaurants, farms and recreational destinations.

FAMILY EVENTS

Family Fun Day, Trick or Treat on Main Street, Santa & Reindeer Display & the popular Ancients and Horribles Independence Day Parade! The Fourth of July festivities in Gloucester typically includes fireworks, a road race, and the infamous Ancients & Horribles Parade, where all are invited to show off their artistic talents, craziest outfits, and most outlandish floats. The parade was founded in 1926 and features both traditional Fourth of July floats and marchers, such as veterans and fire trucks, as well as often irreverent, satirical displays commenting on political and cultural issues. This year will mark the 97th time that this local parade steps off.

Located behind the Gloucester Town Hall is *Evans Schoolhouse.*

This one room Schoolhouse was built by Daniel Evans on his land about 1867. The schoolhouse was located in Gloucester District #2, on Evans Road in East Gloucester. Next to the schoolhouse is Gloucester's own "Betty, the Learned Elephant Potato Head". This pays homage to *Betty, The Learned Elephant*, who visited Chepachet in 1826 with the *Barnum & Bailey Circus* and was cruelly shot to death on the Chepachet River Bridge.

Gloucester is a rural town in northern Rhode Island. Over our 300 year history, Gloucester has maintained a favorable environment for small business. The town also is host to many acres of open land, which allows for hiking trails and outdoor recreation.
